

Commercial Real Estate Women (CREW) Detroit is pleased to announce the call for entries for its 2022 Annual Impact Awards, honoring properties with a positive impact on Detroit and the Southern Michigan region. This region is defined as all counties south of and including Oceana, Newaygo, Mecosta, Isabella, Midland, Bay, and Huron Counties. The awards recognize one new construction project, one renovation/adaptive reuse project, one special impact project (new or renovation) that significantly improve their surrounding communities and a member-to-member award recognizing CREW firms that worked together on a project.

Projects must be substantially completed between January 1, 2021 and July 1, 2022 to be eligible for the 2022 Impact Awards. Projects submitted in years past are not eligible.
